Weinberg House, Finance Committee Report, Birthdays!

From the President

Hello to Everyone!

Once again, I hope you all are doing well during these very strange and uncertain times. Aren't we lucky that we have started the month of November with such a beautiful stretch of weather? I have been doing my best to get outside in the fresh air and to take in the beautiful fall colors! I hope that you have been able to enjoy it as well.

This is a strange November for our Club. It has been quite some time since we haven't dined, danced, and raised money together at the Holly Ball. For now, we all need to stay close to home and further apart in order to stay healthy and safe. And, despite it all, we are doing a great job of staying involved in the Club and finding ways to still give back and help out.

I would like to mention two important items. First, please pay close attention to the Crier article by Phyllis Peters, describing how we can use part of our holiday giving to help out the Weinberg Residence, Second, please try to attend our November meeting on Zoom, to hear more about what the Board has to suggest with regards to helping out several other struggling local organizations.

Most of all, in this month of November when we celebrate Thanksgiving, be thankful every day for all that we have, even during these unusual and sometimes lonely times. I am thankful for all of the wonderful women that I have come to know through the Severn Town Club. Thank you for all of your support and friendship. Even when we can't be together I person, I always know you are there. I look forward to seeing you on Zoom for our meeting on the 19th. Look for the link in a separate email.

Stay well,

Debbie

November General Meeting

By Sheryn Blocher

Our General Meeting will be held via Zoom on Thursday, Nov. 19 at 6:30 pm. Pres. Debbie Mayer will email the link to connect to the Zoom meeting.

The program will feature two speakers from B.I.G., Books for International Goodwill.

Director Steve Frantzich and volunteer Scott Gregory will be presenting information about this dynamic organization which provides books to underserved educational populations in a number of countries and here in the U.S. Our club members donate books to B.I.G. As part of our commitment to Education.

We will also have a business meeting following the program.

Please join us- we miss seeing all our fellow club members!

Weinberg House (Community Service)

By Phyllis Peters

Well Ladies, it's time to consider our annual giving project for those women and children at the abuse center. We usually take over mountains of bed pillows, but this season the clients are still being housed in a hotel and we need to help in another way. I spoke to my contact, and after much discussion, the best plan of action would be for those of you who are able, to obtain gift cards to Giant, Target, Kohl's, Walmart, Safeway, Uber and Amazon. If there is no amount printed on the gift cards you purchase, could you please write it on the card with a sharpie pen. I don't know the hotel but do know that it is close to a Giant and Target, although whatever is most convenient for you would be perfect. I would ask that should you choose to make this part of your holiday giving, to mail any cards to me. Then I can hand them all over at one time in the name of Severn Town Club.

Please make every effort to get the cards to me no later than December 12. Thank you in advance for any way you can help.

Finance Committee Report

By Sharon Boettinger

The Finance Committee met on October 27th. We discussed organizations in the community that could benefit from a donation or fundraising effort by the Severn Town Club. We reviewed the Treasurer's report. Committee members evaluated various options for virtual fundraising social activities such as a wine tasting or dinner sponsored by a local restaurant. Options were presented to the STC Board and will be presented to the membership at the November general meeting.

Happy Birthday!
